charge less than a year, and we see these As the king looked down from his throne upon the people, so the mason looked terests the building of the tower of democratic political, social and industrial life is stayed.

THE LABOR MOVEMENT A GROWTH. The student of the labor movement must understand that it is not the creation of leaders. It is always a growth and leaders are but a part of that growth In 1844-45, upon almost the same day of the same year when the Rochdale pioneers were organizing their great co-operative experiment, a dozen workingmen in Boston were discussing the same question This coincidence is but one of many, As the products of climates differ in kind, yet are fruit, bud or flower, so the labor movement is of one kind, the frui-Barring its "On with the bust" idiosyn- tion of the hope of ages, the flowering

THE MOR, STRIKE AND BOYCOTT EX-

PLAINED. Starting with a recognition of the fact that methods and measures are confir to the limitations of opportunity and intelligence, the mob, the strike and the oycott are explained. The London mobinstinctively attacked the club-houses, because they represented the social autithesis. It was a cry of vergeance from the unemployed, or forced idlers against the representatives of the loafers of so-clety. One class was idle and starved: the other class was idle and feasted. Both classes are the victims of the same A UNITED STATES SENATOR IN THE PLOT.

The mob raided the bakers and butcher hops for food, the wine shops because of appetite and excess, and the jewelry shops as the representative of luxury. The passions were led in the order of ters. their natural channels. Without thinking they said: "We will have that which the wealthy have-food, wine luxury "

It is as easy to forecast the path of the mob as the course of a stream. The stream runs toward a common ocean; of poverty. SOCIAL AND ECONOMIC PHASES OF THE

PROBLEM.

interrogation mark of civilization, is not

"How can class interests be reconciliated?" but: "How can classes be obliterated?" In its economic form the problem is stated in this proposition: the oarsman, says he has no recollection work be increased without increasing the backer, and makes the following proposition: This is the ecothe level of social and industrial discon- \$1500. Content under wrong is idlocy. Discontent is the hope of the world. The labor union is born of the strike The federalist trio, amalgamation, arbitration and co-operation, are born of the trade union.

THE KNIGHTS OF LABOR. The new form of movement known as the Knights of Labor is the attempted concentration of all the forces of labor. It is armed with the strike and the boy-cott and yet holds out the olive branch of arbitration. It teaches hope of a peace-ful solution. It holds in check the mob and at the same time it walks the streets and byways, mustering its forces under the banner of mutual assistance for mu-tual good. It lifts its voice in legislative and may soon be seated in the councils of a generation. Its mission is Miles and Borses.

Miles and Borses.

Mitchell Bros' at their old stand want if the good mules and horses in the markt, and will pay spot cash for them.

The future of this present form of organized action depends not only upon the wisdom of its leaders, but upon the wisdom of its leaders, but upon the wisdom of its leaders, but upon the wisdom of its leaders. to redeem women from the lust of greed,

dom of the weil-disposed among the wealthy. Never in the history of the re-public was the possession of wealth under such heavy responsibility. Exces-sive display of excessive wealth is now a crime against social order. The poor may suffer and be still when all are doing

all they can to relieve, but feasting fools are in danger when famine makes mer desperate.
Safety to the republic demands regu larity of remunerative employment. pression is impossible. The the ganized labor must be acknowledged as the strongest conserving force, and all

HE THOUGHT IT FOR THE BEST.

An Illinois Religious Crank Saws His Wife to Death.

OTTAWA, ILLS., Feb. 22.-Clarence J. Sears, eighty-eight years old, murdered his aged wife at their home, four miles north of this city, Saturday night. The old couple differed in religious views, and Sears, who is an enthusiast, recently arrived at the conclusion that his wife was a witch. Crazed by this hallucination, he determined that it would be for the best for him to kill her. Arming himself with a hand-saw, he went into the room where she was seated, struck her down with the heavy saw and hacked her to death. He then turned upon his daughter-in-law and her children, and they were obliged to Yee for their lives. ed that his wife was dead, Sears left the house. He was captured yesterday and lodged in jail.

The Prize of the Galena

KRY WEST, FLA., Feb. 22.—The steamer City of Mexico, the prize of the United States frigate Galena, arrived here yesterday in charge of Lieut. Elliott and the prize crew. There were also on board Gen. de Goda, Col. Morei and thirty men. Lieut. Elliott thinks that if there were any troops or ammunition on board they were previously landed. The City of Mexico was seized at Standres, United States of Colombia, on the 15th Inst.

Both classes are the victims of the same system, as both represent the rot from root to flower—a poisoned root and a poisoned flower.

nomic labor question, and the movement notwithstanding his experience with the sition: I will row Gandaur right here, of labor is always in the direction of its currents and eddles, for \$2500 or more a solution. To this end strikes break out side, the gate receipts to go to the winverywhere, when civilization has reached ner. If this does not suit I will row for

> Washington's Birthday in New York. NEW YORK, Feb. 22.-Washington's birthday was observed as a holiday to- Bre day in the usual quiet fashion. Flags which have been floating at half mast almost continually of late were raised to the top of the poles and enjoyment in various ways was sought after. Patriotic organizations fitly celebrated the day with street parades.

> > Notes From Pern.

Linta, Feb. 22. Gen. Caceres was enthusiastically received yesterday by his political constituents of Callao. The interior is being rapidly freed of bandits and opened up to commerce.

The prefect of Antayo has been committed for trial and replaced by Senor-Rodriquez Ramirez Hodges.

Eggs! Eggs! Eggs! We will pay cash for all the eggs yo can bring to the compress building. SMITH & THOMPSON PRODUCE CO.
